Updating Club Communications/ User Groups: Peter discussed the new groups.io user groups that are being initiated by the club in order to have consistency across training groups. Emphasis was made for a need for naming conventions and onboarding.

Committees: The Board discussed the need for reinstating focused committees to accomplish specific tasks. Membership for these committees would be by members of the MCRRC community with a Board Member serving as a liaison.

Vacancies: The Board is currently looking for Assistant Race Directors for Pikes Peak and Parks Half Marathon as well as a Medical Director for those large club races. In addition, the Board is looking for an editor for Intervals.

RD101: Andrea and Kristen will be holding another RD101 program. Since the warehouse is not heated, and a tour of the facilities is an integral part of RD101 training it was determined that late spring may be the best time for hosting an additional session.
